Note: 2026 DGFT: 1–3 day processing with complete docs. •Fee ₹500. Incomplete apps = 70% rejections (PAN mismatch main cause).

- Always verify at dgft.gov.in.
- Last updated: January 2026.

How to Apply for IEC

- HS Codes: 6-digit global standard for classifying goods (managed by World Customs Organization)
- Structure: First 2 digits = Chapter, next 2 = Heading, last 2 = Subheading
- Why accurate codes matter: Avoid delays, penalties & incorrect duties
- Refer chapters to classify goods accurately
- Avoid errors using “Common Mistakes” notes
- Trade Notes provide real-world examples
